Email:

Research institution/Employer:

Funder:

Declaration

I agree to share relevant outcomes of my research, as appropriate and based on the amount of associated content. This will include supplying PCMAG with hard/paper or digital copies of published research results of common interest, along with my permission (or a Copyright Licence) allowing PCMAG to make this information available, with due credit, to other bone fide researchers.

I agree to this information on this form (excluding contact details) being published on the museum's website.
