ACKNOWLEDGEMENTS

The research undertaken for these web pages has been based on the foundations of previous work by Joshua Bell, Fiona Pitt, Maureen Robbins and Chris Wright. I am extremely grateful for the assistance of staff at the various museums and archives consulted, including Wendy Brown, Inge Damm, Jocelyn Dudding, Rachel Hand, Anita Herle, Mike O’Hanlon, Joanna Ichimura, Zena McGreevy and Sarah Walpole. I am especially indebted to the Royal Anthropological Institute for sharing their photographs. The following books have also been used in the compilation of the information on these pages. All errors and shortcomings are my own.
